

Hello dear other Aegee antenna,

We are the team from Aegee-Bayreuth and we are really motivated to travel and meet you in the term of an exchange. We think that this is also an important aim of Aegee to discover new people and learn to know them and also create deep link between our antennae.

Bayreuth is in Bavaria/Germany but more precisely in Oberfranken (never mixed!!) This is a nice little town where it is easy to circulate and meet easily people.

Bayreuth is also well-known for its relaxing countryside, many park and forest around without talking of the thermal baths...

We can accommodate you in Bayreuth to share so good German habits (I am French and I can tell you that they have many..🍷🍷😊) and visit our town which is so full of culture, pubs, and of course the famous Wagner Music Festival together!

Moreover there is a great team that wants to meet you and share a great time!!

Hoping to hear from you 😊

Tschüss,

Aegee-Bayreuth (Claudia, Anka, Thomas, Chris, Nathalie etc...)
