

PITCHIN' SUMMER SCHOOL

ZVEZA KOMISP INVITES YOU TO BECOME AN ERASMUS PLUS PROJECT PARTNER FOR AN AWESOME EVENT. GIVE YOUR NGO'S MEMBERS A CHANCE TO SPEND A WEEK OF THEIR SUMMER IN SLOVENIA.

OPEN CALL FOR PARTNERS ON ERASMUS PLUS PROJECT

[ZVEZA KOMISP](#) (slovenian international student umbrella organization, that hosted Leadership summer school in Ljubljana in 2010 and aims to provide network for different organizations) is inviting you to apply and become a partner of our event. GIVE YOUR MEMBERS A CHANCE to spend their summer in Slovenia and BOOST THEIR COMPETENCES. They'll come home with a GREAT PITCH (SHORT PRESENTATION) OF YOUR ORGANIZATION AND BOOSTED PUBLIC SPEAKING SKILLS.

WHY PITCHIN' SUMMER SCHOOL?

WE NOTICED, THAT WE MOSTLY SUCK AT PRESENTING OURSELVES OR OUR ORGANIZATION. With pitchin' summer school, we want to empower students, members of international student organizations in Europe with skills, that will give them knowledge on **how to present themselves and their organization** in better way, MORE PROFESSIONAL, MORE ENTERTAINING, MORE INTERESTING, MORE ENGAGING WAY.

Deadline: Apply as a partner in erasmus plus project and send your application until **23st of January**. APPLY [HERE](#).

What will this summer school be all about?

1. We will first dig in ourselves: **Who am I? What am I good at? Which competences do I have? Where do I need to improve? What do I really want?** By becoming aware of ourselves, you will create your personal pitch by gaining skills on public speaking, pitching, nonverbal communication, presentation, communication, feedback etc.
2. In second part of the event, we will focus on your organization. **Why does your organization exist? What do you do and why? What is your vision? How can you present it best?** You will then create a pitch, that you'll be able to use in different context: to attract new members, new partners, new sponsors etc.
3. In the end, we will focus on **building a network among present organizations and explore options for collaboration.** By this, we wish to develop your business and networking mindset and make you more employable. Through this, we want to increase impact of NGOs all around Europe, strengthen non-formal education sector and activate youth.

What does it mean, if we become a partner of the event?

After we confirm you as a partner of our event, you will have to send us some papers. Piece of cake.

(we'll send you a 2-pages long file that your legal representative will need to sign and stamp, you'll scan them and send them to pitchingsummerschool@komisp.com via email and you'll also print them and send original papers to our address in Slovenia)

WHAT'S NEXT?

WE WILL HAVE TO WAIT ON THE RESULTS OF OUR APPLICATION FROM OUR NATIONAL AGENCY, WE'RE APPLYING TO KA1. Results should come in May. We will let you know about the results (cross your fingers, that we get funded!). If we do get funded, event will probably happen in September in Slovenia. You will be able to share open call for participants with members of your organization and 1-2 people will be able to attend the event, depending on the number of project partners.
